

## Serve Your Clients Better with CPA Care

Whether you have payroll questions, need a custom report or are looking for the latest info on legislative updates and tax laws, we've got you covered. Access client data with Paycor's CPA Care, a one-stop resource offering award-winning personal service, easy-to-use products and immediate access to reports. **Paycor's dedicated support specialists are here to help you take your client relationship to the next level.**

### Why Partner with Paycor?

From year-end support, robust reporting tools and even a personal concierge service, Paycor offers CPAs the perfect combination of HR and payroll technology, thought leadership and expertise.

**With CPA Care, you and your clients will receive:**

#### Year-End Accounting Support

- Instant access to your clients' HR and payroll data
- Hold your clients' books open
- Dedicated CPA Care support to answer your questions

#### HR Reporting

- Expanded year-to-date and customized general ledger reports
- Access HR data to gain deeper insights into turnover headcount and overtime
- Reports can include wages, 401k deductions, workers' comp and employee census

*Paycor puts client success and satisfaction first.*

—  
**That's why more than 30,000 clients trust our human capital management solutions to help manage their most valuable asset—their people.**
